## Welcome to Fingerprints!

We are a non-profit ministry of  
Capitol City Christian Church that  
has been specifically developed to  
meet the needs of our youngest  
children and families. We pray you  
find **Fingerprints** to be an open and  
welcoming community that  
provides high quality care and a  
great educational experience  
for your child.

## Our Philosophy

**Fingerprints** believes that children are  
unique beings gifted in diverse ways  
who seek to understand their world.  
We strive to provide a safe, secure,  
Christian environment for them to grow  
and explore. Children are encouraged  
to learn and develop  
spiritually, intellectually,  
socially, emotionally and physically.

Education in the early years should  
excite curiosity, stimulate creativity,  
expand intellectual thinking, build  
strong large/small motor skills, create  
awareness and help each child  
better understand themselves and the  
world around them. **Fingerprints** uses  
the Wee Learn Christian  
curriculum. We provide smaller  
classroom sizes for more  
individualized attention,  
developmentally appropriate  
materials and environments set up with  
active learning centers.

We work as a team with each  
family in the daily care of their  
children. We provide open and honest  
communication with parents,  
helping to reinforce the positive  
behaviors in each child.

We are very excited to begin a new  
and wonderful relationship with each  
family we enroll!

# Curriculum

The Wee Learn curriculum is designed to be developmentally appropriate for each age group we serve. Teachers use it as a framework on which they can build a program that allows children to grow and develop as Jesus did- in "wisdom and stature" and "in favor with God and man"  
(Luke 2:52)

Within each classroom you will find a variety of learning centers for the children to explore each day:

- \*art
- \*blocks
- \*books and listening
- \*homeliving
- \*music
- \*manipulatives and puzzles
- \*nature and science
- \*computers for the older groups

Teachers provide times during the day for large group and small group activities. Spiritual growth is encouraged through Bible stories, devotions, music & worship and prayer. We will go on field trips in the community or have a special guest come share with us.

## Meals

**Fingerprints** provides each child with breakfast, lunch and an afternoon snack each day. The meals are brought in by Treat America every day and are nutritionally balanced for the children. All of our classrooms eat family style with their teachers. Menus are posted in each room, in the Parent Information Area and on our website.

**Fingerprints** participates in the federal food program, CACFP

## Dance Dance Dance!

Dance Dance Dance is a class for kids 2-8 yrs who are interested in dance, jazz and tumbling. The class meets one day a week for 30 minutes. The children present 2 dance recitals a year. Dancex3 is professionally taught. And best of all, it's FUN!
